Dedication for Education

Re: Chehlum Shohda-e-Karbala Major Islamic Holiday

This is a request for cooperation from employers and School Districts to allow time off to all Muslim person(s) employees and students, so that they may join thousands of other Muslims to commemorate the 40th day of martyrdom of their spiritual leader and grandson of Prophet Mohammad (PBUH). The services for Day of Chehlum Shohda-e-Karbala will be on Tuesday October 30, 2018 this year.

Since some student's schedules, especially their exam schedules may conflict these days, we will sincerely appreciate if you can accommodate so they may attend the services.

Your favorable consideration in this matter will be highly appreciated. If you have any question, please feel free to call us at (713) 927-5848.

Sincerely
